ABOUT US

ELEVATING INTERIORS THROUGH PRECISION & PASSION.

A3 Interior Solutions is a leading in-house contracting firm delivering premium turnkey interior services with a focus on high-end commercial and hospitality environments. Led by our CMD, Mr. Jitendra Vishwakarma, our expertise spans sample flats, show flats, entrance lobbies, infra works, and more. Our approach combines decades of industry experience with a commitment to precision, design integrity, and operational efficiency. We create spaces that not only meet functional needs—but elevate experiences.

OUR LEGACY

A HERITAGE OF CRAFTSMANSHIP & GROWTH

The foundation of A3 Interior Solutions is built on legacy and passion. Our journey began in 1968, when Mr. Chhedilal Mistry established a humble workshop in Dahisar. His dedication inspired the launch of J K Interior in 2008 by his son, Mr. Jitendra Vishwakarma, who transitioned from labour-based projects to large-scale turnkey contracting.

In 2021, we expanded our vision with the formation of A3 Interior Solutions—bringing together tradition, innovation, and scale to redefine the interiors landscape.
